

FLOORMARX

THE ORIGINAL TEMPORARY FLOOR MARKING SYSTEM

Product Description

The **FloormarX** system is an innovative floor marking system designed for creating quick-to-apply, durable, and easy to remove temporary boundary lines and other court markings on sealed hardwood and other non-porous floors without causing costly damage to the floor itself.

The **FloormarX** system consists of a high quality, large tipped, magic marker with specially formulated ink designed for writing on well-sealed hardwood gymnasium floors, dance studio floors, and other similar surfaces. **FloormarX Floor Markers** cure quickly, are non-smearing and allow users a clearly marked surface that is safe for both the floor surface and the occupants using the floor.

After use, the floor markings can be removed easily using **FloormarX Cleaning Foot Wipes**, a durable, non-woven cleaning wipe that won't shred or tear under the weight of your foot allowing for maximum cleaning. **FloormarX Cleaning Foot Wipes** dry quickly, leave no water or soap, or other residue to clean up or slip on.

Features & Benefits

Features:

- ✓ Extra-large marker body for comfortable handling and precise control
- ✓ Wide tip with three widths of lines allowing creativity for many varied uses
- ✓ Quick drying smudge free ink creates long lasting durable lines and other court markings
- ✓ One marker can write up to 300 yards - the equivalent of 5 rolls of floor tape
- ✓ Easy to use and easy to clean

Benefits:

- ✓ **Safe** - FloormarX markers greatly decrease the risk of injury from tripping, sliding or falling on cones, floor tape, poly spots, rope ladders, rubber bases, etc. FloormarX Foot Wipes leave your floor clean and dry very quickly leaving no slipperiness or wet mess behind. Non-Toxic.
- ✓ **Easy** - Won't damage floors and reduce time from peeling up hard to remove floor tape. FloormarX ink is fast to apply, easy to remove and holds up to heavy foot traffic.
- ✓ **Fun** - Draw symbols, write words and numbers, and make arcs, circles and other shapes unlike traditional floor tape. Multi- colors make learning easier and more fun.

Technical Specifications

Markers:

Chemistry:	Water based
Shelf life:	1 year
Yield:	Up to 300 yards (274 meters)
Tip width:	30 mm (1.25")
Order:	Minimal
Toxicity:	Non-toxic meets ASTM D4236

Wipes:

Chemistry:	Alcohol - 90%
Shelf life:	1 year unopened/ 3 months opened
Yield:	50 wipes
Wipe size:	16 cm x 20 cm (6.3" x 7.9")
Order:	Minimal
Safety:	Keep out of reach of children
